

# Farewell to Ellen Corrigan *Au revoir*

Ellen has been dancing for 14 years, the last five with Dancestar. Ellen's time at the studio has given her the opportunity to perform in the Nutcracker, Pinocchio, Peter and the Wolf and Alice in Wonderland. She also competed in numerous eisteddfods and met many 'amazing students' of all ages from the area over the years. "Dancing has always been a passion of mine but it has allowed me to make friends that I'm sure I will have for life. The memories I have of afternoons spent at the studios will always be some of the best I have of growing up. I owe a big thankyou to all of the teachers who have given me a lot of support as I studied for both the HSC and the R.A.D. Advanced1 Classical and Jazz exams over the past few years. Next year I hope to study medicine at university and dance recreationally as much as possible. I'd like to wish all the teachers, students, families and friends of Dancestar a Merry Christmas and all the best for the future.

**Remember: classes continue as normal until 15th December**  
**There will be a summer workshop at the studio from 21st to 23rd January, with special guest teachers.**  
**Term Starts Monday 28th January 2008**

# Dancestar Studios Presents...

## The 2007 Variety Concert

Saturday 8th December

At the Jetty Memorial Theatre

## *A Few Words From Miss Francesca*

Hello and welcome to our end of year concert. I hope you enjoy the presentations of the children's efforts today. The school has had an extremely successful year, holding our first session of LGTDA tap exams on site, as well as our yearly RAD exams. The children all gained outstanding results.

The most important part of the students' work in eisteddfods and exams is their participation, and team work, regardless of the results, and we like to encourage the students to take part enthusiastically both individually and as a team.

Whether or not the students are hoping to achieve a career in dance, or if they are dancing for recreation, dancing instills in the students a sense of confidence and poise, self-discipline, commitment and helps develop the ability to interact with and work as part of a group.

The proceeds from our performances and the raffle will be donated to the Spastic Centre in Coffs Harbour. The raffle will be drawn at the conclusion of the Variety Concert performance at 4pm, on the 8th of December.

Next year the studio will be known as "Harbour Performing Arts Centre (Dancestar)" and there will be a website to keep you up to date with studio information ([www.hpac.net.au](http://www.hpac.net.au)). Please remember classes are as normal until 15th December and our Christmas party will be on the 16th December at the Jetty Foreshores.
