EISTEDDFOD NEWS

Thankyou to everyone that was involved in the Coffs Harbour Eisteddfod. The children all had a wonderful time which was evident with their happy faces and excitement. Special thanks to the helpers who put so many hours into the sewing and mending of costumes, Mrs Nolan and Mrs Parker who spent many hours numbering and organising costumes -Mrs Jeffrey, Mrs McFarlane, Mrs Worth, Mrs Flick, Mrs Gordon, Mrs Williamson, and Mrs Downie, I'm sure everyone will agree with me in saying that the children all looked fantastic- Thankyou to everyone above and also a big thankyou to the group representatives. The group mums all did a wonderful job too and I hope they will consider continuing their good work in the future.

The Eisteddfod results were outstanding with many prizes won by our students. The major prizes are listed below. Our congratulations go to those children who danced solos and duos for the first time - a great achievement. And to those who were recognised for their outstanding performances. Well done!
