

# SYNOPSIS

*Dorothy Gale is a teenager who lives on a farm in Kansas. She daydreams about going "over the rainbow" and along with her house and dog Toto, she is swept from her dull world to the magical, beautiful, dangerous and technicolour land of Oz by a tornado. Dorothy's house lands on and kills the wicked witch who rules the Land of the Munchkins, little people who think at first that Dorothy herself must be also a witch. The Wicked Witch of the West sees that Dorothy has been given the powerful Ruby slippers and wants them for herself but Glinda has already given Dorothy the dead witch's enchanted Ruby Slippers and they protect her. Glinda also tells Dorothy that if she wants to go home to Kansas, she should seek the aid of the Wizard of Oz, who lives in the Emerald City. To get there Dorothy sets off down the Yellow Brick Road and soon after meets a talking scarecrow who dearly wants a brain, a Tinman who longs for a heart and a cowardly lion who wishes for courage. All four then make their way down the yellow brick road together to ask the Wizard for the things they want. Within sight of the Emerald city, the Wicked Witch of the West conjures up hurdles to stop them getting there. Finally they do meet the Wizard who will not help them until they bring him the witches broomstick. After a series of narrow escapes and good fortune Dorothy learns that all she had to do was tap her feet three times and say **"there's no place like home"** with the Ruby slippers on and they will take her home.*

## From Miss Francesca

Hello and welcome to the Harbour Performing Arts Centre end of year Ballet concert. I hope you really enjoy the children's presentation today. The school has had a very successful year, having taken part in local events as well as Eisteddfods and Exams. I am pleased to be able to give the children a sense of community with their performances. Outstanding results were achieved again this year by all performing teams and examination students. However in making these points, the most important part of the students' work in Eisteddfods and exams is their participation, and team work, regardless of the results. We like to encourage the students to take part enthusiastically both individually and as a team. Some of the proceeds from our performances will be donated to the **Coffs Harbour Health Campus Children's Ward**. The raffle proceeds will go towards the schools costume wardrobe and will be drawn at the conclusion of the 4 pm Variety Concert on Saturday the 10th of December. Please remember classes are as normal until the Friday the 9th of December.
